Our Constitution.

During our AGM, I will be asking you, our members to approve our Constitution. Some you may remember, a few years ago we approved the constitution, and agreed to adapt the Amateur Bee Associations model constitution. It is unfortunate, but due to an administrative error, we have to go through the motions again and submit the constitution to NSW Fair Trading. Apologies in advance for this administrative error.

From you, our members:

Do you have a bee story you wish to share? Or a picture of what your bees have been up to this month? Articles, stories and pictures are most welcome and we can add them to the next newsletter.

RECIPE

Thankyou to Katie for this months delicious recipe!

HONEY ALMOND SLICE (20 serves)

Preheat oven 180c (160c fan forced)

SHORTBREAD BASE

¾ cup unsalted butter
75g caster sugar
1 ½ cups plain flour
30g corn flour

ALMOND HONEY TOPPING

3 Cups flaked almonds
75g unsalted butter
¼ cup sugar
1 ½ Tablespoons honey

Beat together butter and sugar until light and fluffy.

Sift together flours then add to the butter and sugar in three lots until fully incorporated.

Lightly pull together dough with your hands and break into chunks and scatter over your tray.

Press down on the dough until it joins together and fills in the gaps.

Bake for 20 min until it is starting to turn golden on the edges. Cool while you prepare the topping.

Place almonds in a large bowl and set aside.

Mix together the butter, sugar and honey in a saucepan over low heat until the sugar dissolves.

Pour the mixture all over the almonds and mix well. Gently spread all over the shortbread base and cook for a further 15 minutes until the top is golden.

Allow to cool before breaking into chunks.
